

SAB CONCEPT OF OPERATIONS

Complements the SAB Charter, by clarifying the operations of the SAB, defining expectations for SAB members and NOAA personnel, and institutionalizing recently developed strategic elements.

- Progress
 - Best practices and new elements
e.g. Strategy sessions & invited external experts
- Guidance
 - FACA & ethics information
- Vision
 - Biennial work plan (SAB + WGs)
- Expectations
 - Roles, responsibilities, & work products. (NOAA & SAB)
