

SCIENCE ADVISORY BOARD

Report on Priorities for Weather Research

Correction Notice

January 13, 2022

Section 7.1.4, Findings (Page 70)

Current report: "The NOAA Weather Program Office (WPO) supports a very small competitive weather grants program (~ \$8M per year) with several annual requests from proposals to university investigators."

Correction: "The NOAA Weather Program Office (WPO) supports a small competitive weather grants program (~ \$15-20M per year) with several annual requests from proposals to university investigators."

Section 8, Number 7 (Page 80)

Current report: "One of the known inhibitors of completing this plan is the absence of a dedicated HPC allotment for the task (see (d) above; Foundational Elements, Section 7.2)."

Correction: "One of the known inhibitors of completing this plan is the absence of a dedicated HPC allotment for the task (see (5) above; Foundational Elements, Section 7.2)."
